TITS FOR DAYS

## YURI BELTRAN

**Y**uri Beltran isn't the best name for a porn actress. It sounds like she should be playing infield for the Chicago Cubs. But Yuri has what it takes to become one of the biggest stars in adult entertainment, namely, a pretty face, a smoking bod, and a voracious sexual appetite. Oh yeah, she's got giant, all-natural boobs, too. That helps. She unleashes her mammoth hooters and plays with her nipples until they're as hard as stone. "You like?" Now her pants are off and she's fingering herself. It sounds wet down there. "Go ahead," she says, thrusting her chest forward. "Touch them." Yes, this girl is going to go far in the porn biz. Certainly a better career choice than professional baseball player—look at how easily she let us steal second base! ●

**HOT TIPS ON GIVING GREAT HEAD!**

**B**LOWJOBS! BLOWJOBS! I bet I've got your attention now! Every man loves a great blowjob. In fact, some guys will take a blowjob over full-blown sex every once in awhile. Oral sex can sometimes feel better than actual sex. Believe it or not, some girls like to give blowjobs rather than have sex as well, because it's less personal, and they think it's better than "sleeping around."

Now guys, we all know there are some girls who don't give blowjobs. Why? Well, some girls might not like it—far enough. But there might be another reason why women

avoid blowjobs—and that reason may surprise you. Some girls are afraid to suck dick because they don't think they do it right or do it very well. I have had so many girls talk to me about why they don't give blowjobs—the number one reason is that they're afraid they'll do it wrong and get made fun of, or even dumped.

So let's talk about how to give a great blowjob. First, we need to start by gently stroking the cock up and down, even play with the balls a little bit. You got to get that dick hard before you start to suck it. Here's an important tip for the ladies: When you are stroking the cock, the thrust is better than the pull up on the dick. A lot of girls use more force when pulling up the length of a cock instead of using more force while stroking down. That doesn't feel good to the guys, so remember that. Then after the cock is hard, gently start licking the tip of the cock, tease it, and then start putting the cock in your mouth. Make sure when you are sucking it to also massage it with your tongue. Gently suck that cock, eventually getting it deeper and deeper down your throat. When you are sucking the cock deeper you can also use your hands to help stroke it into your mouth.

You can also play with the balls as you are sucking cock—it makes the cock even harder and bigger when it starts going deeper down your throat. Now if you want to be a dirty little girl while you are giving head, pull the cock out of your mouth and smack it on your tongue, and talk dirty to your man. It is good to be a slut. Sometimes smack the cock on your mouth and say something like, "Do you like your cock shoved deep down my throat? You like me sucking that big fucking cock? I love choking on it!" Get creative with your words and even spit on it.

Another good technique when giving head is to shove the cock deep down your throat so that when you pull it out your spit is still connected from your mouth to his cock. In the business we call them "stringers." All of the tips I gave you will help you achieve sucking cock so good, that your man will blow his load all in your mouth. Now what would be hot is swallowing his cum. If you don't like that, then stroke his cock until he cums in your mouth as you're spitting it back out all over your face. You could even spit it back on his cock, and suck it again. Guys like that because it tickles their cock, sucking on it after they cum. Last and certainly not least, you can be a real dirty girl and let him cum all over your pretty little face. That is such a big turn on to guys.

So I hope I helped you girls out there who feel you don't know how to suck cock all that well. And guys, I hope I helped you get a better blowjob! ♦

See you guys in May!

# KELLY SUMMER

**K**elly Summer is an up-and-cumming star in the porn firmament—but she still likes to earn a little extra on the side working as a realtor. She doesn't know much about selling real estate, her specialty is selling something else. Tommy comes by to check out the house, but can't stop checking out Kelly. She gives him the guided tour, which ends with her on her knees in the master bedroom, saliva running down her chin as she deep throats Tommy's tool. He fucks her right there on the floor, pulling out at the last moment to blast a goosy load on her smiling face. "Uh... ah... yeah, I'll take the house," Tommy says, and before his dick even starts to wilt, Kelly's got a contract and pen in hand. Yeah, the house is overpriced, and Tommy can't afford it anyway, but what the fuck. It's no wonder we have a mortgage crisis in this country! Fuck your local realtor! ●

## INTERVIEW WITH A PORN STAR

# MONIQUE ALEXANDER

### PETITE VIVID QUEEN

Interview by Rob Perez

From being CHERI Tart Of The Year back in 2002, to being one of Vivid Picture's top contract babes, Monique Alexander is what a porn queen should be—beautiful, amazing body, charming, and oozing sexuality whenever she appears on screen. Admit it, your cock gets hard the moment Monique is naked, laying down, and getting banged away by some hired cocksman, or when she's got her face buried between one of her fellow Vivid girl's legs, lapping away at her tasty twat. Besides being one of porn's most popular girls, having won numerous awards and accolades, she is also been featured in various mainstream roles, so it's always a good bet that you could catch her heating up the small screen as well. Our prayers came true when we wished to see more of Monique, and here she is, totally in the buff! ➡

## MONIQUE ALEXANDER

Congrats on Monique's *Been Blackmailed*, your new movie. Can you tell me more about it?

It's an interracial movie. It's the first time I do two guys at the same time. I'm excited for it to come out. Fans have wanted it for a long time.

Who were the two guys you worked with?

I worked with Mr. Marcus, who is my favorite, and Tyler Knight.

In your personal life, are you attracted to Black men?

Yeah! I don't like to do anything on film that I haven't done in my personal life. I have dated Black men before and I like them very much! I like white men too, though. (Laughs) I like all flavors!

And Latino men such as myself?

That's all I used to date. (Laughs) I lost my virginity to a Latino.

How long have you been a Vivid girl?

I've been a Vivid girl, I believe, a little over 4 years.

What's the best thing about being with Vivid?

To me, I believe Vivid is the best company in the industry. I think we have some of the hottest girls, and we also get to do a lot of cool, fun stuff that I think other companies don't get to do. Back in February I went to Yale University. Every other year they have sex week, and so they made a Vivid day. And I also got to be in a debate with Ron Jeremy against the XXX Church. Martin Bashir was our mediator, and it was on *Nightline*. That was pretty rad. I don't think other companies really get to do cool stuff like that.

When it comes to the Vivid girls, who are you closest too?

Sunny Leone, for sure. I was actually with her yesterday. That's about it. We have a lot of new girls these days. I'm friends with Savannah, but she lives in New York. I'm also friends with Brianna Banks, but she's always dancing all over the place, so I don't get to see her that often. So I'd probably just say Sunny because I don't know the other girls that well yet.

You've had sex with them, right?

Of the new ones, I guess I kind of had sex with Meggan Malone and Hannah Harper when we had this girl/girl orgy that we did a couple of months ago. I guess I had sex with them. (Laughs)

Any of the Vivid girls who have left that you miss?

When I first signed my contract we had Janine under contract, and Janine is my absolute idol. I think she's the most beautiful woman in the world. I miss her because I never got an opportunity to work with her. So I was really bummed about that.

Is there a non-Vivid girl you want to have sex with?

I've never worked with Jesse Jane and I would really like to work with her someday.

When did you realize your calling to enter this business?

I really didn't realize it. I was a dancer in Sacramento, and an agent came in. He said, "Hey, would you like to be in all

## INTERVIEW WITH A PORN STAR

If you have a pencil dick, yeah it's going to matter.

these men's magazines?" I thought sure, why not? I'm already getting naked on stage, I might as well take some pretty pictures. I just kind of fell into it. It wasn't anything that I anticipated happening, ever.

Did you enjoy it at first?

Yeah, I enjoyed it. It was fun. What girl doesn't like to play dress up?

Do you feel porn is degrading or empowering to women?

I think it's only degrading if you let it be. I think it's empowering. I chose to do porn, and I think it's a beautiful thing to have that power. The women, for the most part, run the industry. It's more about the women than it is the men. I think it's a great opportunity if you do it wisely.

What would you say is the best and worst thing about being a porn star?

The best thing is I get paid to have sex with beautiful people. And the worst thing I would have to say is the

stereotype that everyone thinks that every porn star is a drug addict or that we're all stupid, or that we're all whores and we have orgies everyday of our lives. I would think that's the worst thing—the stereotypes that people have.

Do people come up to you expecting to meet the stereotype?

I'm pretty fortunate. I'm a really down-to-earth, laid back kind of person. I don't think I really ooze that sex appeal of like somebody like Lanny Baray. I think I'm more the girl-next-door type. I don't think people anticipate me talking dirty all the time. Most people just want to know about my normal life. So I'm really lucky. I've only had about two people who were extremely vulgar and rude in the whole seven years, so I've been really really lucky.

Where would you rate yourself looks-wise and body-wise on a scale of one to ten?

Please, you want me to rate myself? (Laughs) I would rate myself, body-wise I would say I have a pretty

# MONIQUE ANAND

good body. So I don't want to sound conceited so I'll give myself an 8. Looks-wise, I don't think I'm anything special. I'll give myself an 8 on that too.

What would you say are your best and worst physical features, and why?

Personally, I don't think my legs are the best but I get lots of compliments on them. So I'll say my legs are the worst. My best... I think I have nice little boobs, I think I have nice nipples. There we go, I love my nipples. I think I have great nipples.

Speaking about your tits, how do you feel about plastic surgery, breast augmentation? Would you ever have any surgery to improve your body or looks?

I think after kids and all that good stuff, I'd probably want my boobs done because right now I have little perky boobs. I'm sure after babies they're not going to be so fantastic. So I'd probably get my boobs done. That's about it. I'm pretty lucky. I've got a great nose.

Has there been, or is there pressure on you or other girls in this industry to get plastic surgery of any kind?

I don't think so. I think the pressure is the pressure you put on yourself. I've never been pressured. That was the big thing when I signed with Vivid. I was a little

worried that they were going to want me to get boobs because most of the Vivid girls got big ol' boobies. For the longest time I was the only Vivid girl that had natural boobs, which was a little uncomfortable for me because you're doing a shoot with all these girls with big titles, and here you are on the little bitty titly committee. I was a little insecure at times. But I think it's just people's preference. I don't know of any pressure. I think maybe back in the day when big boobs were in, maybe girls felt more pressure, but I think that's not really the case these days.

What size are your tits by the way?

On a good day... (Laughs) they're about a 32B. I'm a little person so it's OK.

What do you physically like in a woman?

I like a woman a lot like myself. In shape, clean, petite. I love boobs so I don't care if they're big or small. I hate when I get a scene with a girl who isn't quite like me. Or if I get a scene with a girl who's boobs are bigger than my head. I hate doing that because I just look silly.

Are you a very dominant or submissive person?

It varies. I can be both. It depends on the situation or whom the person is that I'm working with. If that person

is more dominant then I'll let them be dominant. Or if it's a scene where the girl might be a little shy or timid, then obviously I'll be the more dominant one. Or even with a guy. It just all varies.

In men, what do you like physically about men?

I like a good personality, somebody who can make me laugh. Somebody who's confident but not arrogant. Nice teeth. (Laughs) Nice teeth are a plus. Sexy voice.

Does size matter?

No. If you have a pencil dick, yeah it's going to matter. When a girl is turned on and when I'm turned on, you're not going to be able to feel it. But I also don't want somebody who's too big because I enjoy sex a lot. So if you're big you're most likely going to break me after having sex a couple of times a day. So then we won't get to have it for a couple of days. (Laughs) So I'm good with an average-size dick.

Does your family know what you do or a living and are they OK with it?

Yeah, my family knows. They're OK with it. I'm a big girl, I'm responsible and I have a good head on my shoulders. They're just happy that I'm out there trying to make a living. And as long as I'm not doing anything illegal, they don't care.

If you could have sex with one female and one male celebrity, who would they be?

Female would be Angelina Jolie, and the male would be Johnny Depp.

If you could have one superpower, what would it be?

I wish that I could... ooh, I want lots of superpowers. (Laughs) I wish I could beam myself places. Like, "Beam me up, Scotty," and I could wiggle my nose or something, then I could be in New York right now.

Be in New York and sitting on my lap?

Yeah! (Laughs)

Do you do anal in your movies?

Yeah. Actually my movie, Cry Wolf, that came out not too long ago, I did anal. And also in Call Girl Confidential, I did anal.

Is anal a regular thing you do in movies?

No. I only do like two movies a year with anal. I'm actually shooting a movie soon in which I'll be doing my first anal scene of the year. I like anal in my personal life but I only do it twice an film. I'm not trying to be the anal queen or anything like that.

Would you ever do double penetration?

No! That's something I've never done in my personal life, and I just don't really feel comfortable doing that

INTERVIEW  
WITH A  
PORN  
STAR

on film. I really have no interest in it. It's something that doesn't intrigue me at all.

I know Vivid doesn't really do a lot of rough scenes. That's a lie though. Vivid does have rough sex. That's not true. A lot of people think that about Vivid. But there's been plenty of times I've been thrown around and all that. I like rough sex and we definitely have rough sex. I don't know why people have that stipulation with us.

Would you ever do a gang bang?

I would never do a gang bang.

What is the hottest scene you've ever done?

Probably my first anal scene in Cry Wolf, because it was rough. But I think it was a really hot anal scene with Marcus Leone.

Do you orgasm in every scene?

Yes!

Are you a true bisexual?

Definitely!

Any special technique when giving head to a guy?

Not really. I just make sure to have lots of spit, use both hands, not leave the balls out. (Laughs) Just enjoy it.

“I'm not trying to be the anal queen or anything like that.”

## MONIQUE ALEXANDER

Was your first experience with a girl a good or bad experience?

My first experience with a girl was on film, I was nervous. It was my first time on set and I really didn't know what I was doing. But I enjoyed it I was just nervous.

What's your favorite sex act?

Doggy

What is your least favorite sex act?

Stand-up doggy with one leg up. Where you're standing, bent over, and the guy is holding your leg. You know what? Scratch that Reverse cowgirl I hate that

Do you use sex toys when you masturbate?

No. Not really. Sometimes a pocket rocket but that's about it

I like  
rough sex.

Where is the weirdest place you've ever had sex?

In a cemetery. It was in the movie, Debbie Does Dallas Again. It creeped me out a bit so it wasn't too exciting for me

What is the most perverted thing you've ever done?

I don't think I'm that much of a pervert. One time I convinced a girl to fool around with me even though she'd never been with another chick before.

Which of your movies are you most proud of?

Probably my movie, Cry Wolf. I really enjoyed doing that. It was a great script, great cast. I have big hopes for it at AVN.

What are your future plans?

I'd like to be with Vivid until the end. eventually want to do stuff myself, where all the content you find of me is exclusively on my website. Lots of feature dancing. And then, some day, marriage and children.

Anything you'd like to say to the CHER! readers?

I love all you guys and keep a lookout on my website, [moniquealexander.com](http://moniquealexander.com). Also, watch for me to come feature dance at the local club in your town!

## NELLY & ZAFIRA

Nelly and Zafira have reservations at the fanciest restaurant in town, but they're not going to make it. They can't stop checking each other out in their cute, skimpy outfits. Nelly strokes Zafira's hair, then works her way down to Zafira's abs. "You're so tight, and toned," she whispers. Zafira guides Nelly's hand down to her pussy. "Rub my cunt and see how tight and wet I am," she says. Nelly is craving a hot and tasty Euro tossed salad, and Zafira's ass will do nicely. All Zafira can think about is Nelly's warm, sweet cookie as she buries her face between Nelly's legs. Now these two radles are really chowing down. Save some for us, girls. We're hungry, too... ♥

# Digital *Sin* **WHAT AN ASS #6**

**ASS, ASS & MORE ASS!**

by Acme Anderson

For men who are into ass, there is no greater sight than a young hottie with a perfectly curvy backside, big and bouncy as she bends over, so luscious and inviting. This popular series from Digital Sin is a dream come true for guys who like looking at things from behind. Each of the girls possesses an impressively round ass that looks best as she's getting nailed by a dude, which is exactly what each gets in *What An Ass #6*. Even for those who aren't particularly butt-focused, there is plenty to see here. The five ladies are beautiful and all starved for the attention of a man with a big, hard cock. And when girls look like these gals do, they get whatever they want. So pull up to the bumper with these tasty treats and enjoy the twists and turns of full-bootled babes getting the daylight's screwed out of them! ➡

## **CAMRYN KISS WITH ANTHONY ROSANO**

The first thing Anthony says when he sees Camryn is, "What a perfect ass!" He kneels and caresses it as the brown-eyed girl puts directions his way, soon leading to his cock slipping right into her wet cooch.

Her pussy lips are full and grasp his cock tightly, the wetness of her hole making his cock glisten in the light. She massages her clit as he grips her perfect tits, tweaking her nipples. As he turns her into other positions she demands he give her ass attention, all the while positioning herself so that Anthony's cock disappears deep into her snatch as she continues the dirty talk through numerous orgasms. She never looks better than when she's riding his dick, ass bent up toward the camera, which she manages in both a cowgirl and a rousing sidesaddle.

Anthony drills her from behind, her full, round ass bobbing up and down as he slides in and out. Without a word he pulls out and Camryn turns around, lands on her knees and strokes his cock anxiously into her mouth. He plops his load onto her tongue and then she curls up on the couch, drools it into hand and rubs it onto an ass cheek. "That's why I like having a big, round ass," she giggles to the camera.

## KIRRA LYNNE WITH ROCCO REED

Kirra Lynne and Rocco Reed are a couple who have been together for a long time. They are both very sexy and have a great chemistry. In this video, they are having sex in a very sexy way. Kirra is on top and Rocco is on the bottom. They are both very hard and are having a great time. Kirra is wearing a black bra and Rocco is wearing a black condom. They are both very sexy and are having a great time. Kirra is on top and Rocco is on the bottom. They are both very hard and are having a great time. ## ASHLI ORION WITH JORDON ASH

As much as she likes showing off her ass, Ashli can be distracted by a stiff member and when Jordon presents his she goes into an aggressive gobble, swallowing his shaft right down to the balls. Jordon reaches around and gives her ass the finger, which she breaks from cocksucking to profess her love for. But the real satisfaction comes when she mounts his member.

She gets on and stuffs his dick into her muffin and immediately goes into full bounce, his pole length deep inside as she twists, turns and grinds on his cock, her ass in a non-stop jiggle for the camera. Finding rhythm, she reaches back and sticks one of her own fingers into her back door, loving the mini-DR.

She turns around for a reverse cowgirl, proving that the front view is quite tasty, too. Her little titles bounce as she rides and within a minute her body is shaking as she cums on his masculinity. "I love your fucking big fucking cock!" she screams as his dick vanishes into her shaved vag. "You fuck me so fucking good!"

"I wanna see that fucking cum on my ass," she pleads as he pounds her. "I wanna taste it off my fuckin' ass!" Soon he grants her request, splashing his creaminess all of her ass cheeks. She rubs it gleefully, looks at the camera and says, "This is why I love having a great ass, because I get to get fucked like this."

## REAGAN MADDUX WITH MARK WOOD

Reagan Maddux is a professional porn actress who has appeared in numerous adult films. She is known for her blonde hair and curvy figure. In this scene, she is performing with Mark Wood. The video is part of a series called 'Digital Sin'.

## CYLE CUVÉE WITH LEE STONE

Cyle Cuvée is a professional porn actress who has appeared in numerous adult films. She is known for her blonde hair and curvy figure. In this scene, she is performing with Lee Stone. The video is part of a series called 'Digital Sin'.

Her ass isn't her only asset, as Lee quickly discovers. Her mouth is a great dick depository, as is her pussy with its pierced clit. Cyle is very open to both, sucking him until he's fully hard, then squeezing his dick with her hand and showing it the way into her girthole. Lee grunts away as she grinds hard, her butt cheeks bobbing as she rides his full length. The muscle-bound Lee picks her up and sets her down on her back, his cock never leaving the warmth of her hole. She watches him as she lets out a litany of girl sounds, especially when she cums on his dick and her voice hiccups and glides as her body quivers.

Lee pumps and grinds his cock into her cunt as she mindlessly caresses an ass cheek and watches him, no longer the quiet girl as she moans loudly and begs for him to cum on her ass. When he blows his load she goes quiet once again, rubbing it into her cheek, occasionally licking globs off her fingers. Finally she smiles and says, "That's why big asses are the best."

# SANDRA

**S**andra came to this photo shoot oozing sex—and before long we were oozing pre-cum from the tips of our engorged cocks! This girl was incredibly sexy, horny, and willing to bare it all—exactly the type of girl we like. Once she started fucking her juicy pussy with that glass dildo we knew she would be our Tart Of The Month. Damn, she's hot! We captured every inch of her Euro hardbody, and she told us how wet her pussy was getting when she noticed the bulge in our jeans. "Cocks," Sandra said in her cute European accent. "You show me?" Sure, Sandra. You were kind enough to "show us." It's the least we can do. ●

# JENNY

ARE YOU SEX-PERIENCED?

## JENNY HENDRIX

**P**orn superstar Jenny Hendrix has a big problem. She wakes up this morning horny, wet, and all alone in her bed. She needs her morning fix of cock. It's early on a Sunday so she calls her fuck buddy to come over. He explains that he can't stay long—he's gotta be at Sunday mass with his wife and kids by noon. That's okay with her. He—and his massive boner—arrive just as Jenny is drawing a warm, sudsy bath. He orders her to suck dick and she does so willingly—she likes when her fuck toy gives orders. He slips his cock from her mouth and slides it inside her warm, wet fuck-box. Just as Jenny's orgasm is starting, her lover emits a feeble groan, pulls out, and pops a load on her chin. Jenny's disappointed, but she's not surprised. Married guys can never hold their loads for long—probably because they're not getting any pussy at home! Ah, well, maybe he'll be back after church... ♦

# MOTHER FUCKERS

**M**others we'd love to fuck! That's exactly who we have this month as CHERI brings you the nastiest, dirtiest, mother fucking sluts on the planet. These babes take big cocks all the way in their still-moist pussy holes, and definitely aren't shy about gaping their used and filthy assholes for throbbing young, hard meat. Whether these "moms" are deepthroating a dick, getting DP'ed mercilessly, or eating out an unsuspecting babysitter, these experienced MILFs know exactly what to do—spread their holes and take a cum blast on their wrinkled, liver-spotted flesh. After all, MILFs don't peak until they're well into their dirty thirties. OK ladies, put the kids to bed and give us some "motherly" love, CHERI style!

## PIRATES II: STAGNETTI'S REVENGE (Digital Playground)

Starring: Jesse Jane, Riley Steele, Katsuni, Sasha Grey, Stoya, Belladonna, Gabriella Fox, Shay Jordan, Jenna Haze, Shauna Lonne, Abbey Brookes, Brea Lynn, Veronica Rayne, Shyla, Rhylee Richards, Bianca Love.

If you didn't get enough sexy broads in a high budget feature film in *Pirates*, then *Pirates II: Stagnetti's Revenge* will rock your world. I really didn't realize how good film editing really makes a porno great until I was left on the edge of my seat with my fingers pinching my clit waiting to see what would happen next. Shay Jordan is built for comfort and starts it off with a double header, and I'd be lying if I said it didn't turn me on to see her get pounded in so many different ways. I loved her smeared mascara and twat fuzz. Then, Jesse Jane and Belladonna ram each other's ass and pussies, and I mean hard. Stoya, Gabriella Fox and Shyla play belly dancers along with Abbey Brookes, Brea Lynn, and Veronica Rayne who team up to give us a scorching orgy scene. Our favorite fart, Jesse Jane and foxy Katsuni are together, finally, but I wanted to see Jesse suck Katsuni's twat more. I had to rub a few out when I saw Belladonna and Sasha Grey in the final hot threesome. Now better to end the show than with Belladonna going sunny side up? That's some treasured booty!

## ROLLER DOLLZ

(Adam & Eve/Zero Tolerance)

Starring: Sunny Lane, Alektra Blue, Kayden Kross, Courtney Cummrz, Teagan, Ava Rose, Bree Olson, Eva Angelina, Penny Flame, Mia Presley, Camryn Kiss.

Adam & Eve Pictures and Zero Tolerance team up to bring us a stellar cast of some of our favorite insatiable sluts! Red hot Ava Rose and Camryn Kiss start off by fucking a referee in the shower. Ava sucks a mean dick and Camryn rides one amazingly well. Bree Olson and Kayden Kross get it on, with Kayden being cute and aggressive, but Bree finishes her off and creams Kayden's face. After a win, sex kittens Alektra Blue, Courtney Cummrz and Mia Presley have a celebratory orgy in the locker room. I enjoy watching tongues working over pierced nipples. Bree begins having dreams where she sees her man fucking foxy Kayden Kross in her skates, which makes her taking it doggy style much easier. Teagan does a quickie before a game on the locker room bench and if you know Teagan, nothing is quick with her. She's so hot to watch! There's something about wanting to get fucked so bad you tear your clothes off just enough to get your slit poked. This made me nostalgic. Then we're treated to Courtney Cummrz on her knees. Just like watching her pierced nipples shake. A nice treat is watching Sunny Lane in a reverse cowgirl, followed by a fabulous orgy. You'll see Eva Angelina and Ava teaming up with Sunny and Bree to tear up the roller rink. I can only imagine all the fun they'll have bent over the bench with their asses in the air waiting to get pounded.

## BURN

(Club Jenna)

Starring: Jenna Jameson, Stephanie Swift, Nina Hartley, Cytharea, Lauren Phoenix, Justine Joli, Taylor Rain, Natasha Sweet.

Lust for naughty girl Jenna Jameson made me excited to rub my twat to her latest fuck flick, *Burn*, but it kind of left me wanting more. In the style of a Hollywood feature film, it's all about the naughty secretary working overtime (and bent over). Stephanie Swift and Jenna are lady lovers, but—just like me—Jenna is easily tempted by some good dick! Needing a job, Stephanie suggests Jenna go for an interview at a publishing company. A sexy-yet-nerdy Jenna arrives for her interview while the current secretary, foxy Justine Joli, shamelessly uses her bathroom break to rub a few out. Can we blame her? If Jenna walked into your office, wouldn't you? Afterward, Stephanie and Jenna get it on in the car ride home. Stephanie parks, gets out and drops to her knees at the passenger side to make some mouth music with Jenna. Jenna's new boss decides to publish a book from a well-known S&M Master, and she accepts his invitation to play with her boss at his dungeon. Here's where all the action starts. We've got Cytharea getting hammered in every hole by Julian as Jenna walks to where she will be worshipped by four different broads. Lauren Phoenix, Taylor Rain, Justine Joli and Natasha Sweet throw Jenna onto a bed and rub, suck, and lick her. How could they restrain themselves from fucking her? I was truly disappointed, but Jenna makes up for it when she shows Stephanie's ass what she learned at the dungeon. The film ends with Jenna breaking Stephanie's heart and running away with her boss, where Jenna finally gets the meat injection she's wanted the entire time. How fucking romantic—it got me totally wet!

## NO MAN'S LAND ASIAN EDITION 7

(Video Team)

Starring: Annie Cruz, Bella Ling, Destiny, Jandi Lin, Kyanna Lee, Lana Croft

The menu on this tasty Asian DVD includes six "me so horny" Asian dykes who waste no time in burying their faces in sticky wet pussies. Anytime you have six smoking hot babes in bikinis is always a plus—especially when you know they're going to ship out of them. Annie Cruz and Bella Ling are a pair of pool hustlers who can't take their eyes off each other, as they slowly work their long wooden sticks, and give one another a sexy lap dance before lapping up each other's twat. Destiny and Jandi Lin shower each other in cum in a wet, steamy lezbe tryst. We could hardly wait to indulge in the Asian orgie buffet at the end, with Annie Cruz as the head dyke, making sure her girlfriends get their share of hot and spicy Asian pussy. This is why we love Asian girls long time!

# BAMBI

GOOD ON WOOD

GAMMA

BY SCOTT WARD

Euro whore Bambi really wanted to pose in *CHERI*, but we already had too many girls booked for this issue. Still, Bambi was insistent, sitting on our laps and bouncing around until we got good and hard, then fondling our boners through our pants. She told us what an honor it would be to pose in *CHERI*, while we gazed at Bambi's big Budapest tits. "Everyone back home would be so proud of me," Bambi explains. What's a pornographer to do? We gave her a long list of graphic sexual favors we'd need completed before we could even consider her for the magazine—stuff so depraved we can't even describe it. She cursed us at first, called us American pigs, but she came around eventually. Now she's happy because she made it into this issue of *CHERI*. We're happy, too... very happy! Congrats, Bambi! Keep the knee pads, speculum, fly swapper, and ball gag, courtesy of your pals at *CHERI*! We need that bowling pin back, though. .

# THE WICKED

BRINGING THE EROTIC  
HORROR FILM INTO  
THE 21ST CENTURY

by Marc Verne

It's not often that a trip to an adult film shoot allows you enough time to breeze through the project's screenplay. Nevertheless, the two-hour drive from Los Angeles to the Palmdale, California set of the new Wicked Pictures production *The Wicked* gave us the time needed to read up on the latest paranormal thriller from Michael Raven, the esteemed creator of such acclaimed releases as *Supernatural* and *The Visitors*.

A sensual meditation on the monster movie mythos that blends elements from such films as *From Dusk Till Dawn*, *Near Dark*, and *The Devil's Rejects*, *The Wicked* stars Wicked Girl Kaylani Lei as a young woman who embarks on an idyllic desert road trip with her friends, only to see their sojourn turned into a bloody nightmare when they're attacked and eventually hunted down by a group of supernatural entities. The film's intricate, sixty-page screenplay was penned by director Raven and Jennifer Allison, whose previous collaborations have included *Black*

Widow and Pain Valley. While the director looks forward to blending shocks and scares with *The Wicked*'s erotic content, the movie's screenplay is also rich in the kind of nuanced characterizations that made *Black Widow* so memorable. The story is also laced with no small amount of dark humor that manages to temper the horror without detracting from the suspense (in a nod to the direction the modern horror film genre has taken, Raven has slyly made one of his characters a paranoid believer of black-pot creatures' theories).

Arriving at the dusty desert location, we learn that while the project was created as a designer vehicle for Ms. Lei, she receives back-up from a first-rate supporting cast, which includes contract sister Stormy Daniels in a tailor-made role as the sexy and mysterious "Baby," and newly-minted contract beauty Mikayla Mendez, whose role calls for her to be adorned in intricate make-up that will transform her into a very gothic (and incredibly sexy) creature of the night. Other cast members include gorgeous Tori Black, Sophia Santi, and exotic fan favorite Roxy Deville. We may be in the middle of nowhere in the broiling heat, but this is one set we're very happy to be visiting!

The lovely Ms. Daniels, a vision of Southern gothic beauty in a halter top, cowboy boots, and tight-fitting cut-offs, is shooting some sexy stills with Derrick Pierce as a prelude to their scene together. Once the photos are completed, it's time for the sex to begin. Raven calls for absolute quiet and the screwing commences with Stormy going down slow on Derrick's massive member, holding his balls and sucking him until he's hard enough to cut glass. The fucking is tentative at first, with sensual strokes soon giving way to a full-on pounding that builds until Pierce is unable to hold back any longer. With the camera rushing in for the pop-shot, he glazes Stormy's grinning face with a torrent of cooed

[Not surprisingly, Raven has nothing but raves for Daniels, but he's quick to point out his enthusiasm for the performers in scenes for beyond the glorified erotica display we've just witnessed. "Stormy is bringing an incredible edge to her character. If you liked what you saw in *Black Widow*, you'll be blown away by what she does here." For her part, the blonde superstar is just as excited to be a part of *The Wicked*, saying simply "As soon as I heard he was planning this movie, I knew I had to be a part of it!"

With Ms. Daniels' scene under wraps, the director assembles his other lead performers to complete a crucial dialogue scene. By the time he's captured the sequence to his satisfaction, daylight has faded and it's time for *The Wicked*'s erotica centerpiece – a huge, multi-partner screw that brings Kaylani and Sophia Santi together with Mikayla, Evan Stone, and Barry Scott. For her part, Ms. Lei is beside herself with delight over how the production is going. "This is one of the most spectacular shoots I've ever worked on. I'm a fan of scary movies in my personal life, and I think this movie has the potential to cross over. The story and the special effects are amazing!" Echoing her passion, Mikayla adds, "This is why I love *Wicked* – they create, bar none, the best movies in this industry."

As shooting begins, witty dialogue from the female leads gives way to filthy foreplay that's highlighted by deep, ball-enveloping blowjobs from Kaylani and Mikayla. As the fucking starts, the exotic Mendez pairs up with Stone while Ms. Lei hits her stride with Scott. The eerie dark and remote location adds an odd, otherworldly vibe to the scene and goes a long way in helping create sex that, in the director's eyes, should be as suspenseful as it is erotic.

The tension continues to rise as the performers throw themselves at each other with wild abandon;

**Wicked**  
PICTURES.COM

**Wicked**  
PICTURES.COM

Kaylani and Mikayla ravage their partners until they're ready to explode. Copious loads are soon launched, with Kaylani, in particular, catching a full load!

We've spent a full day and night on set, but the pace hasn't let up for an instant. With the sex out of the way, Raven is now focusing on his next special effects scene, a complicated creature transformation skillfully designed and executed with the help of a full Hollywood FX team. Although *The Wicked* will be stuffed to overflowing with otherworldly critters, the savvy filmmaker is quick to point out that he believes it's the things you don't see that truly have the ability to frighten.

"I see this as being similar to *The Vistas* in that the aliens were a very real presence in that movie even though you never really saw them. I'm applying a similar technique here. We have monsters, but I want there to be a bit of ambiguity as to what they really are. *Wicked* has given me leeway in terms of content, and I am grateful for that, but I am also a firm believer in the power of suggestion. It's the process of suggesting things indirectly that makes things more exciting for me, and, I believe, for the viewer as well."

While stories of road trips to hell have become tried-and-true staples of the modern terror film, this movie promises to break new ground. A thriller fan himself with a genuine love for the genre, Michael Raven is striving to create a movie that expands the limits of what is possible in both adult and horror. Add intense performances from Kaylani Lei, Stormy Daniels, and Mikayla Mendez, and you've got *The Wicked*—a darkly erotic suspense film that stylishly goes where the supernatural thrillers of yesteryear feared to tread!

# AMY & ANNY TITS & ASS

## AMY SCOTT & AMY REID

**B**ig boobed lezzies Amy Reid and Amy Scott are craving some T&A. Especially some A, as both babes have sweet, curvy asses that would make any straight dude with a functioning cock blast a hot milky load all over his pants. Amy can't help but rub her hands all over her girlfriend Amy's butt and teasing her butt hole by sticking the tip of her finger inside. Amy's more aggressive, turning Amy over and tossing her salad on the spot. A finger and a tongue feel good, but there's nothing like a hard plastic sex toy to make these girls ass-gasm. Their lezzie tryst ends with both of them plunging their toys into their stinkers, big tits jiggling as they plunder each other's tasty asshole. Hollywood couldn't come up with a happier ending! 🍌
